

Online language courses through CyberTeachers® Special prices for our partners

Thanks to the collaboration between the Official Spanish Chamber of Commerce in Belgium and Luxembourg and **Berlitz**, you can now benefit from exclusive prices for **online language courses** through their **CyberTeachers** program.

You can choose out of these 5 languages: **English, German, Spanish, French and Italian.**

CyberTeachers offers a wide range of tools to actively develop the 4 language skills and make your training a unique and enjoyable experience, achieving your goals in a record time.

- Daily 5-minute Quick Lessons about the different rules, expressions or common mistakes.
- A wide range of exercises providing hundreds of hours of specific practice in grammar, vocabulary and expressions.
- Support tools: audiovisual material, writing correction, dictionary, translator and pronunciation simulator will always be available to complement the platform's features.
- Interactive and personalized exercises.

CyberTeachers® Classic:

- Special price for a **3-month registration: 99 euros** VAT included (member code: CDCESCLAS2020)

CyberTeachers® Live:

- Premium version: classic version + e-learning with a **tutor and virtual classes** for more speaking practice

- Special price for a **3-month registration: 199 euros** VAT included (member code: CDCESLIVE2020)
