**Cámara**  
Official Spanish Chamber of Commerce  
in Belgium and Luxembourg

**Gift two free bicycles with the purchase of a property marketed by MTSpain in the golf course of Almeria: a destination connected with direct low cost flights and 365 days of sunshine.**

**MTSpain**, a consultancy firm specialising in comprehensive advice (legal, city choice, housing, mortgage, insurance, telecommunications, relocation) for international and national clients who decide to live in Spain, is launching an exclusive offer for **members of the Official Spanish Chamber of Commerce in Belgium and Luxembourg**.

The purchase of a **new-build home** marketed by the company on the **Mundo Aguilón golf course (Almería)** includes two bicycles as a gift.

This luxury residential development situated on a golf course in full activity, has a **perfect location**. With the inauguration of the AVE high speed train line happening in the near future, it is only 20 minutes from the train station and 40 minutes from the airports of Murcia-Corvera and Almería.

From the spacious terraces of the flats, you can enjoy **breathtaking sea views**. Each flat is equipped with a fully fitted kitchen, air conditioning, garage and storage room.

The **environment of virgin beaches** makes it possible to sail through crystal clear waters surrounded by the wonderful nature and discover places such as the Cabo de Gata Natural Park, Mojácar or Cabo Cope.

**Who can benefit?** All companies belonging to the Chamber, their employees and family members.

**How does it work?** The offer of two bicycles\* at no additional cost applies to the purchase of a flat in the Birdie&Falcon residential complex, 5kms from Águilas (Almería).

\*Gift of a maximum value of 500 euros.
