

UPStoday.com/es Offer

Ship your parcels to or from Spain with a 10% discount using the promotional code BELUX in www.upstoday.com/es, before doing the payment.

You can be sure that when you book through UPS' website you are receiving on the highest standards of both service and value, with solutions like:

- All of UPS services are fully tracked, so you can check your parcels status at any time through the website or e-mail notifications.
- A network of 1200 UPS Access Point™ in Spain and 1000 in Belgium. These locations, also known as Kiala Points, are local stores near you with commercial opening hours where you can both pick up and drop your parcels whenever is more convenient for you, even during the weekends. This offers you a higher flexibility.
- In order to ship your parcels faster, you can choose among UPS Express Plus, UPS Express or UPS Express Saver. For the ones which are not urgent, the service UPS Standard represents a balance between rush and price.
- Solutions to integrate your online store (Amazon, Ebay, Shopify, Magento and Prestashop).
